Dr Martin Luther King

"Martin Luther King, Jr. was born in Atlanta, GA on January 15, 1929. Martin Luther King, Jr. was assassinated (ermordet) on April 4, 1968 in Memphis, TN. While standing on the balcony of his hotel, he was shot by James Earl Ray.

Martin Luther King, Jr. was a civil rights activist in the 1950s and 1960s. He led non-violent protests to fight for the rights of all people including African Americans. He hoped that America and the world could become a colorblind society where race would not impact a person's civil rights. He is considered one of the great orators of modern times, and his speeches still inspire many to this day."
